

2024 Timber Market Analysis Class

Live Zoom Webinar • October 16-17, 2024 • Daily from 10:30am - 2:00pm Eastern Time (US)

Delivered in an interactive environment through Live Zoom Webinar, the 2024 Timber Market Analysis Class walks through the process to understand, track, and analyze the price, demand, supply, and competitive dynamics of local timber markets and wood baskets through the use of case studies.

- This class is divided into two half-days of content where Day 2 builds on Day 1.
- This event will be recorded for online viewing afterwards, however, we can only offer Continuing Education Credits to the people who attend the live webinars day-of.
